

KEY FACTS

Tennessee American: Quality Water & More

- 💧 Strategic water system investments
\$15-19 million annually in new pipes, fire hydrants, valves and more
- 💧 National buying power means customer savings
Through our parent company American Water, we have very competitive prices on materials such as meters and pipes.
- 💧 Top 10 payer in local taxes
We serve as a steady source of revenue through property taxes
- 💧 Focus on education, economic development and environmental stewardship
We partner with over 40 organizations to work on these three focus areas

WE CARE ABOUT WATER. IT'S WHAT WE DO.
